Statement Regarding Unintentional Delay

Sir:

The undersigned hereby states that the entire delay regarding payment of the issue fee in the above referenced case until the filing of a grantable petition pursuant to 37 CFR 1.137(b), herewith, was unintentional. The reason for the delay is as follows.

Read-Rite Corporation (hereinafter Read-Rite), the assignee of the above-referenced application, began experiencing extreme financial difficulties at the beginning of 2003. Shortly after the mailing date (12/26/02) of the last Office Action, Read-Rite halted all patent-related expenditures due to inability to pay legal fees. On June 17, 2003 Read-Rite filed for bankruptcy in the U.S. Bankruptcy Court, Northern District of California (Case No. 03-43576-rn). Western Digital Corporation of Lake Forest, California was the successful bidder for the assets of Read-Rite in liquidation

under Chapter 7 of the Bankruptcy Court. The Bankruptcy trustee's motion for an order confirming the sale of the assets to Western Digital was granted in late July 2003. The transaction, whereby Western Digital received title to the Read-Rite patent portfolio, including the above-referenced pending application, closed on or about July 31, 2003. In September 2003 the undersigned attorney of record received authorization from Western Digital to proceed with the present Petition for Revival under 37 CFR 1.137(b).

Please charge any shortages of fees or credit any overcharges of fees to our Deposit Account No. 50-2060.

Respectfully submitted,
